Most merciful Father, I make my profession to you as did the Prodigal Son.
Forgive my sins and have mercy on me.

Lord, you showed compassion on the Canaanite woman.
Show compassion on me too, a sinner, and have mercy on me.

Lord, you turned the tax-collector toward the knowledge of Truth.

Turn me too, who have wandered astray, and have mercy on me.
Most merciful God, take care of your creatures,

O Father almighty, and have mercy on us.

Sun of Righteousness, shine upon our souls

the Light of truth and have mercy on us.

Grant us peace, Lord,

and save us from those who trouble us, O Spirit of truth,

and have mercy on us.
Help me, Lord, in my trouble

Cleanse me, Lord, of my misdeeds,

as you once helped Jonah, and have mercy on me.

as you once cleansed the tax collector, and have mercy on me.

Save me, Lord, from my insidious lips,

and save me from blood,

and have mercy on me.
I shed tears of my contrition before you, O Christ.

Forgive my sins as you once forgave the sins of the harlot,

for you alone are most compassionate.

I fall down before you,

O Christ, shepherd of the rational flock.

Seek me, too, who have gone astray,

for you alone are most compassionate.

I shall expose my sins
to you, O Christ, healer of souls

and Lord of life.

Heal my illness too,

for you alone are most compassionate.

I am in peril due to the multitude of my sins.

O God of peace, help me.

I am tossed about by the wind of my lawlessness,

O King of peace, help me.

In the depths
of a sea of sin, I am tossed about, floundering.

O good Captain, save me.

Have mercy on me, O God.

When hearing the sound of the trumpet on that awesome day;

when the archangel blasts it,

and summons all to judgment—

When you take your judgement seat, O fearsome Judge;
when, in a trial by fire,

you examine the sons of mankind,

Have mercy on me, O God.

The second Adam came from you

for the sake of the misdeeds of the first Adam, in our nature.

Protecting us,

he dissolved the deceit of the fatal fruit.
Intercede with Him always to save us.

Glory to the Father and to the Son and to the Holy Spirit.

Now, O Mother of God, beseech the one born of you
for our sake,
so that as He keeps us with Him,
we might be renewed with Him by his holy resurrection.
Intercede with Him always to save us.

Now and always and unto the ages of ages. Amen.

At the second coming of the Son of God,

the holy cross will appear and illuminate [the world].

For it is hope for those of faith.
