Let us praise the Lord, for he is glorified in glory.

The Word with the Father in essence and co-existing with the Holy Spirit,

fused his own image with our earthly nature.

So adorning it with glory,

he placed it in the Garden of delight.

There, delighted, he rejoiced with boundless joy,

for he saw God always humbled in the Garden,

from Him he imprinted on himself.

rays of the Light.

Therefore, O Mother of God, Mary, petition your only-begotten Son to grant us, like the thief, to inherit again the majesty of the Garden.

Today, after the example of Adam, the first-created, who was rejoicing in the Garden of delight with the angels, let us rejoice too
Today, in the mystery of the forefather created by God,

who delighted in partaking of the fruit of Eden,

let us too partake

in the commandments of God.

Glory to the Father and to the Son and to the Holy Spirit.

Today according to the figure of the first robe,

in which the first man was decked in glory,
Let us too be decked in the divine figure.

Now and always and unto the ages of ages. Amen.

Be joyful, Mary, Dawn of the Sun of Righteousness, and petition God, born of you,

for our sake, to return us too

to the heritage of the Garden.
