Evening Under the Stars

BENEFIT RECEPTION & SILENT AUCTION

As we eagerly anticipate the sun rising over our new home in Armonk, NY, come and enjoy a **final Evening Under the Stars on our current New Rochelle campus**. Under an elegant candlelit tent, guests will enjoy cocktails, hors d'oeuvres, and music while reminiscing with friends and learning more about our past achievements, ongoing successes, and exciting future. A silent auction — with impressive items such as sporting tickets, vacation getaways, kitchen and home décor, Armenian camps, and more — will also be a highlight of the night. Bidding will be open to all online (stnersess.edu) and live that evening.

All funds raised will benefit the ongoing mission and operation of the seminary, including youth programming.

As the only Armenian seminary in the western world, St. Nersess remains committed to preparing priests and lay leaders for the Armenian Church in North America.

Don't miss an incredible evening with your St. Nersess friends on September 28th!
